APPLICATION GUIDE

HERITAGE SPACE:
The platform that offers the possibility
that your creative idea become areality

What is HERITAGE SPACE?

Heritage Space is a new experimental platform, launched by CHwB Kosovo dedicated to young creators to develop their creative ideas for preserving and promoting cultural heritage. This platform is designed to enable creative individuals to explore, test and / or start new ideas, having the opportunity that those ideas become reality.

Heritage space will support new creative ideas aimed at:

Creating strong links between society and cultural heritage making the society more sensitive to the preservation of cultural heritage of Kosovo and promoting cultural heritage, an irreplaceable resource for local development.

Creators have the opportunity to present their concepts at Heritage Space. Those who will be more successful will have the option (paid monthly) to be part of Heritage Space for three months-to develop their ideas. Originators should be prepared to invest time and energy to produce a result, based on limited periods of time.

What other assistance can you expect?

Development and implementation of your idea - **CHwB Kosovo** and its partners have a wide network of professionals and donors, which can contribute to the development and implementation of your idea.

We are interested that your idea be associated with the objectives of **HERITAGE SPACE** so that together we increase the impact in the community. To this end, we encourage you to think about what support you may need:

- Workspace, performing opportunities, mentoring, budget support - Depending on the ideas, successful applicants will also have a mentor that will help in the realization of the idea.

How is it financed?

HERITAGE SPACE platform is implemented by CHwB Kosovo and funded by the Swedish Government.

What are the phases?

The first phase (until December 2016): Beneficiaries enjoy support of the following type: workspace, mentoring, financial support for the development of the idea (up to 3 months), lobbying for finding funds for implementation of the idea etc.

The second phase (2017): successful ideas in fundraising will enjoy financial support.

Who can apply?
